

HAC 30x30 Matchmaking

An opportunity to **connect needs** from HAC members to implement their 30x30 projects **with** organizations and countries that can provide **technical or financial assistance**.

Why use it?

- Exclusive opportunity for HAC members only.
- Free technical support to refine requests so they are more focused, impactful, and aligned with 30x30.
- Increased visibility of national needs and efforts on 30x30.
- Faster and targeted connections, instead of searching for partners individually.
- Access to a wide and growing network of +70 organizations working on 30x30.
- A transparent, recognized system that can strengthen trust with donors and foster collaboration.
